

ACT OUT!

Presented by Moorestown Community School

ACT OUT! *A program designed to build confidence and self-esteem through drama.*

Using theater games, improvisation and pantomime, students learn:

***To express their creativity**

***Vocal projection and proper breathing**

***To work with and relate to others**

***The basics of acting**

Most adults say that one of their greatest fears is speaking in public. Act Out! helps children accomplish this skill. All children benefit from this program no matter what path they choose later in life. Besides all of that, it's fun!
