

# ACT OUT!

Presented by The Garden State Discovery Museum  
**ACT OUT!** – *A program designed to build confidence and self-esteem through drama.*

Using theater games, improvisation and pantomime, students learn:

- \*To express their creativity
- \*Vocal projection and proper breathing
- \*To work with and relate to others
- \*The basics of acting

Most adults say one of their greatest fears is speaking in public. **Act Out!** helps children accomplish this skill. All children benefit from this program no matter what path they choose later in life. Besides all of that, it's fun!
