

ACT OUT!

Presented by The Garden State Discovery Museum
ACT OUT! – *A program designed to build confidence and self-esteem through drama.*

Using theater games, improvisation and pantomime, students learn:

- *To express their creativity**
- *Vocal projection and proper breathing**
- *To work with and relate to others**
- *The basics of acting**

Most adults say one of their greatest fears is speaking in public. **Act Out!** helps children accomplish this skill. All children benefit from this program no matter what path they choose later in life. Besides all of that, it's fun!
